NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 23rd ultimo inclusive will be found at page 596.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines Retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR *of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the* ADMIRALTY, WHITEHALL, LONDON.

*** *Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be* post paid, *in order to ensure attention, but it is more convenient to address to the Editor* direct, as above, *upon such subjects.*

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.*

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary of the Admiralty for the forms as to services, claims, circumstances, &c. required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to retired Officers of long service who are old, infirm, "wounded, or disabled," and in poor circumstances; the periods of service, &c. required to render them eligible are shown at page 625 of the Queen's Regulations and Admiralty Instructions of 1879.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his ra involves the loss of previous time of service in that rank; so also, when the sentence of a Co Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay cases where the same depend upon seniority; and it carries with it the loss of the benefit of service, included in the seniority forfeited, in cases where the Full and Half-pay depend up actual service.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1879.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 23rd August* 1883, *see* p. 489.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbars, Processions, and other Public Ceremonies in India, a distinctive place will be assigned to the Senior Naval Officer on the spot in the absence of the Commander-in-Chief, without reference to relative military rank.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces:—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the station, if of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and Chief Justice, their own relative rank being determined by the Queen's Regulations on the subject.

c. If below the rank of Colonel or Lieutenant-Colonel the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to rank, as has heretofore been the case, next after the Solicitor-General.

26. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their course at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more sessions at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill vacancies occurring in the Dockyards and at the Admiralty.

31. THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of some instrument or work of a kind to be practically useful to a Naval Officer.

It is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, passes at the Royal Naval College the best examination in the subjects laid down in the Queen's Regulations and Admiralty Instructions as comprised in Navigation.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains, after payment of expenses, is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1839 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet, or Staff Surgeons, or Surgeons) who shall produce the most approved Journals of their practice "in the form in which they have been kept from day to day" while in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

...DER IN COUNCIL, No. 11.—C.

...Court at Osborne House, Isle of Wight,

The 4th day of August 1873.

Present:

...EN'S most Excellent Majesty in Council.

...ter was this day read at the Board a Me... Right Honourable the Lords Commis... Admiralty, dated the 1st of August 1873, ...wing, viz:—

...Your Majesty's Order in Council of 22nd ...reminding the promotion and retirement ...and others of Your Majesty's Fleet, ...two appoints as follows:—

...retired from that rank to be entitled to ...ity to the rank of Retired Rear-Admiral, ...represent that they had served the time to ...for promotion.'

...we are of opinion that this condition ..., we humbly propose to Your Majesty ...above recited be cancelled, and the follow...ed:—

...who have been, or who may in future be, ...on the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea, Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.]

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

... Court at Osborne House, Isle of Wight,

***The 5th day of August* 1870.**

Present:

... HER MOST Excellent Majesty in Council.

... was this day read at the Board a Me... the Right Honourable the Lords Commis... of the Admiralty, dated the third of August, one ... hundred and seventy-five, in the words ...

"... we have had under our consideration the ... Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy; And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.	}	Total 68.
10 Admirals.		
20 Vice-Admirals.		
35 Rear-Admirals.		

"Promotions to the List of Admirals to be in the proportion of one or two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty-eight.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to thornuk of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . .	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,

The 29th day of November 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz.:—

"Whereas we have had under our consideration he effect of Your Majesty's Orders in Council of 22nd February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of March 1880, in the words following, viz.:—

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards officers of Your Majesty's Navy accepting the Regulations then established, viz.:—

'Captains retired from that rank to be entitled to
' rise by seniority to the rank of Retired Rear
' Admiral if before retirement they had served the
' time to qualify them for promotion,'

thus restricting the award of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875 all Captains retired from that rank have become entitled to one step in rank, by seniority, irrespective of service, the distinction between officers qualified and not qualified for promotion being abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and are of opinion that it is expedient to grant to Officers qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1875 on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

"1. Captains who have been or may be retired from that rank (unless retired on account of misconduct) to be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or may have served the time necessary to qualify a Captain for promotion to the rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral's rank, and who has been debarred from rising to the rank of Rear Admiral by the restrictions of Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to be placed on Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement promotion consequent on Retirement, until the Lis be reduced to the numbers authorised by Your Ma above-named Orders in Council; and we would point out that provision for making such promo the ranks of Captain, Commander, and Lieutena contained in the Order of Council of 22nd of Feb 1870.

"4th. As regards the promotion on Retire Staff Commanders and Paymasters, whereas it down by Your Majesty's Order in Council of 20 1867, that Staff Commanders having served 20 the ranks of Navigating Lieutenant and Staff mander shall receive, when retired, the rank of Captain, and that Officers having served 15 those ranks shall retire with the rank of Retire mander; and by Your Majesty's Order in Counc July 1864 it is laid down that Paymasters w have completed 20 years' service, including Act masters' time, and not more than 4 years' Assistant Paymaster, shall be retired with the Paymaster-in-Chief: And whereas by Order in Council of 22nd February 1870 it has b vided as to Commanders and Lieutenants placed Retired List that these Officers shall be granted of Retired Captain and Retired Commander discretion: We are of opinion that it will be benefit of Your Majesty's Service that similar should be made applicable to the Promotion of ment of Staff Commanders and Paymasters these Officers should no longer be entitled to respective ranks of Retired Captain, Retired Com and Paymaster-in-Chief, when removed from the List, but that such promotion should, in addi above-mentioned requirements of service, be also by qualifications of good and meritorious We therefore humbly submit that in future motions on Retirement be made at our discret beg further to represent that, so far as financial ments are affected, the Lords Commissioners Majesty's Treasury have signified their concur the above-mentioned proposals."

Her Majesty, having taken the said Memorial into sideration, was pleased, by and with the advice Privy Council, to approve of what is therein pr and the Right Honourable the Lords Commissio the Admiralty are to give the necessary direction accordingly.

ORDER IN COUNCIL, No. 36.—N.

At the Court of Windsor,

The 18th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz.:—

"Whereas by Article 237 of the Regulations established by Your Majesty's Order in Council of the 11th February 1879 for the Government of Your Majesty's Naval Service, it is provided that 'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbour Master, or he must have completed 15 years' sea-service as a Commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.'

"And whereas the effect of these provisions is to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion, of such promotion. We would humbly submit that Your Majesty will be graciously pleased to cancel the said Article 237 and to substitute the following provisions, viz.:

"To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must have completed 15 years sea-service as a commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.

"We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Order in Council of 18th August 1882.

No. 13.—N.

At the Court at Osborn House, Isle of Wight,
The 18th day of August 1882.

Present:
The QUEEN'S most Excellent Majesty in Council.

"WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1882, in the words following, viz.:—

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of age depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently early age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years' service requisite under Sec. II. Art. 4, and Sec. IX. (note) of the said Order in Council, to enable them to reckon all junior service for increase of retired pay, and they, in consequence, receive on retirement only the active Half-pay of their rank.

"Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the scale of retired pay established by Your Majesty's Order in Council of 22nd February 1870.

"And whereas Engineer Officers will not in future be entered after the age of 25: We beg to recommend that Your Majesty will, by your Order in Council extend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief Engineers on the Active List on 1st April 1882, in the following manner viz.:—

"'Chief Engineers who entered after 25 years of age and who have completed 8 years' service in the rank, shall, on compulsory retirement, if otherwise qualified, be granted an amount of retired pay equal to a rate of half pay based on the following provision, viz., that all confirmed Junior service shall be allowed to count for such rate of half-pay irrespective of the provisions of the scale relating to Junior Service in the Order in Council of 22nd Feb. 1870,'

the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly retired who entered under 25 years of age.

"We beg to observe that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

Widows of Officers of the Royal Navy, and the Royal Marines, are allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the following Table, and subject to the following regulations.

Applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for decision of the Board.

The Pensions of all Widows shall commence from the day on which their Husbands died, unless claim be made by the Widow within three months from the same, otherwise from the time when such claim is made.

Orders in Council increasing Rates of Pensions and Compassionate Allowances, are not retrospective in their operation, and only affect the families of such Officers as may be on the Active List at the date of such Order in Council, or subsequently thereto.

The Pension of a Widow to Pension shall not be payable after her death, the amount of pension to which she would have been entitled if living, shall not be considered as a bounty.

The Pensions authorized by these Regulations cannot be claimed as a Right;—they are granted as rewards for faithful service rendered by deceased Officers, and will only be conferred on persons deserving of such Bounty;—the *ordinary* Pension will be to Widows whose private incomes may not exceed a certain scale which may from time to time be fixed by the Admiralty as the limit for each Rank to which the Pensions are liable to be discontinued in the case of any misconduct rendering them receiving them unworthy of the Public Bounty.

Widows shall not be eligible to be placed on the Pension Establishment of the following circumstances:—

i. If married, being a Commissioned Officer, under the age of Sixty Years,—or, being a Chief Petty Officer, or Carpenter, or Warrant Officer, under the age of Forty Years; except such as were married prior to 30th June, 1880, or who were on the List of Chief or other Gunners, Boatswains, &c., on 1st October 1875, or subsequently to Officers whose case the limit of age is sixty.

ii. If married, being capable of service, had, at his own request, been exempted from serving, when informed he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations,—notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in *Scotland*, in presence of a Magistrate, according to the Form given or a Decreet of Declarantion of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

General Rules as to Pensions.

No man can receive two pensions at the same time, except in the case of Naval and Greenwich Hospital Pensions.

All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the pensioner, to be judged of by the Admiralty.

All pensioners (not discharged as wholly incapable) under 55 years of age may be called on to serve in time of war or emergency.

Men are not allowed their Pensions for any time during which they reside out of Her Majesty's dominions, except with the special permission of the Admiralty.

Time during which a man has held a Bad or Indifferent character does not count for pension.

Men discharged the service for misconduct forfeit all claims to pension, and men whose general character has not been good can be awarded reduced pensions.

Commutation of Pensions is not allowed.

In all cases of injuries gratuities may be given in lieu of Injury Pensions, or in addition to Service or Disability Pensions, at the discretion of the Admiralty.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

They are given to Naval Pensioners only (*i.e.*, to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard); but Civil Pensioners with over 10 years' service in the Navy, and in certain other cases, are eligible for the Special Pensions.

Age Pensions are given only to Life Pensioners.

The number of Pensions in force at any one time is not to exceed 7,500; the vacancies to be filled quarterly by selection.

The Age Pension is not granted if it would with other Pensions exceed 2*s.* 6*d.* a day, and only so much is allowed as will make up that sum.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July 1878, or any Pensioner who, being already in receipt of 5*d.* a day, is eligible for the additional 4*d.* a day on attaining the age of 65; or any Pensioner who joined the Royal Pensioner Reserve Force prior to the issue of these regulations, and who is thereby entitled, under certain conditions, to the Greenwich Hospital Age Pension of 5*d.* a day at the age of 50.

The Deferred Pension of Marines gives no claim to the Age Pension.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Nineteenth Day of May, One thousand eight hundred and sixty-six, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; Videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave port by order of the Lord High Admiral, or of the Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations and are joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag officer's flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station temporarily when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed, shall have no share in prizes taken by the ships or vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior flag officer or by ships or vessels under his immediate command after he has quitted the limits of the station, even if he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer shall expressly authorised by Our said commissioners to take command of that station in which the prize or prizes shall or are taken, and shall actually have taken upon himself such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station which circumstance is also

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any of Our Ports, the navigable Distance between which shall not exceed Six Hundred Leagues, shall be fixed at the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall cease and determine when it shall be safe alongside the said Packet, and the Freight shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 8th October 1831.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor detain Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such consideration as may appear to them to be required.

And with reference to the Circular Order of the 4th of April 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as the term deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIDNEY HERBERT.

3. The Candidates must not be less than Fourteen nor more than Fifteen years of age on the first day of the Examination. Proof of age will be required by the production of a Certificate of Birth. A Declaration before a Magistrate, accompanied by a certificate of Baptism, will be accepted in those cases only in which it is impossible to procure a Certificate of Birth. A Certificate of Baptism cannot be accepted under any other circumstances. The Superintendent of the Dockyard is to take particular care that no boy's name is forwarded to the Admiralty for examination unless his age is within the prescribed limits.

4. but a deficiency in these requisites will not exclude candidates who may be pronounced by the Medical Officers to be generally calculated to make efficient workmen. All such cases, however, are to be specially noted in the lists sent to the Admiralty, and the grounds upon which such Candidates have been admitted are to be fully stated. All candidates must produce certificates to the satisfaction of the examining Medical Officers that they have been revaccinated, or they must be revaccinated, before they can be considered eligible for entry into the Dockyard.

6. **The examination will commence on the first Tuesday in May in each year, and will be held by the Civil Service Commissioners in London as well as at the several Dockyards.**

8. Candidates who fail to pass in the first three subjects will be disqualified, and their other papers will not be examined. The candidates who display a competent knowledge of all the subjects named in paragraph 7 will be eligible for appointment in the various Trades, according to their position on the Examination Lists at the several Dockyards, and to the number of appointments which it may be decided to make that year.

9. Apprentices will be bound by Indentures to serve for seven years, and no candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the Indenture as to the support, &c., of the Apprentice during his apprenticeship. Board wages will only be allowed in the case of boys whose fathers have died or been killed in Service under the Admiralty, and when it can be proved the family are in distressed circumstances, or in other very special cases.

10. On the expiration of their period of service Apprentices will receive a certificate of their character and conduct, the progress they have made in their trade and in the knowledge of the subjects prescribed for Dockyard Apprentices.

11. The Pay of Apprentices serving in the Dockyards is as follows:—

Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if relates to an Officer in the Navy.

6. Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,

(Signed) RICHD. ASSHETON CROSS.

THE QUEEN has been pleased to issue the following Warrant, under Her Majesty's Royal Sign Manual, amending Warrants regulating the award of the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS," for Gallantry in saving, or endeavouring to save, life at sea and on land.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a "Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled 'The Albert Medal,' and instituting in lieu thereof two new Decorations, to be styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class;'"

And whereas, a Warrant was given under Our Royal Sign Manual, bearing date the 30th day of April 1877, in the 40th year of Our reign, intituled a "Warrant extending the two Decorations styled respectively 'The Albert Medal of the First Class' and 'The Albert Medal of the Second Class' to cases of Gallantry in saving life on land;"

And whereas in the said Warrant dated the 12th April 1867, it is ordained that the award of "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life at Sea," shall be made only on a recommendation to Us by the President of the Board of Trade; And whereas, in the said Warrant dated the 30th April 1877, it is ordained that the award of "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life on Land," shall be made only on a recommendation to Us by the First Lord of Our Treasury;

And whereas it seems to Us expedient to amend the said Warrants, dated respectively the 12th April 1867 and 30th April 1877, in so far as relates to the Rules therein established respecting the recommendations that shall be made to Us for the award of the said Medals; We are hereby graciously pleased to make, ordain, and establish the following Rule and Ordinance respecting such recommendations, which shall, from henceforth, be inviolably observed and kept:

It is ordained that the Award of either of the Medals, styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class," shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department;

Provided always, that the preliminary steps and inquiry concerning the Award of the Albert Medals, severally inscribed "For Gallantry in Saving Life at Sea," be as heretofore with the President of the Board of Trade.

FLEET CIRCULAR No. 12.—C.

Admiralty, 22*nd April* 1880.

GOOD CONDUCT MEDALS AND GRATUITIES.

WITH reference to Articles 676 and 1,137 of the Queen's Regulations and Admiralty Instructions, defining the

qualifications for which the character of Exemplary should be awarded, my Lords have received various representations from Captains of Her Majesty's ships relative to the difficulty they experience in awarding this character, which by the present regulations is to be confined to men whose "conduct, smartness, and "general manner of deporting themselves and conducting their various duties have been such as to "fully warrant their being held up as examples worthy "of imitation."

2. My Lords, having given the subject much careful consideration, do not see any sufficient reason for discontinuing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to having earned the character of Very Good, have so deported themselves as to be considered, both on account of their conduct and the manner in which they have performed their duties, as examples worthy of imitation.

3. My Lords have, however, determined that for the future the grant of the Good Conduct Medal and Gratuity shall no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered as rendering a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with greater care and discrimination than has often hitherto been the case.

4. On a man being sentenced to punishment by Court Martial, or summarily awarded—

Corporal Punishment.

Imprisonment; if by Civil Power *see* Article 30, Addenda 1880.

Disrating or reduction to a lower rating or rank.

Deprivation of Good Conduct Medal or Badge.

Confinement in Cells, or

Reduction to below the Privilege Leave List,

his character will, under the accompanying regulations, be necessarily recorded below Very Good, and therefore the required continuity of Very Good for Medal or Gratuity purposes will always in such cases be broken.

5. Ten years of continuous Very Good character will render a man *eligible* for a Medal, and fifteen years of continuous Very Good character for a Gratuity, provided in each case he has been recommended for the last three years, subject to the provisions of the enclosed amended Articles 676, 723, and 1,137, of the Queen's Regulations, 1879.

6. To *entitle* a Man to the Medal:—

(*a.*) He must have been recommended for it on his Certificate for three consecutive years;

(*b.*) He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service.

7. To *entitle* a Man to the Gratuity:—

(*a.*) He must have been awarded the Medal and have never forfeited it;

(*b.*) He must have been recommended for it on his Certificate for three last consecutive years;

(*c.*) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary;"

(*d.*) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.

8. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended," or "Gratuity recommended," should be entered on the men's certificates accordingly, whenever the characters are required to be recorded on them; the additional words are also to be noted in the Ledger and in the Service and Conduct Book.

9. In noting recommendations for Medals and Gratuities on the Certificates, it is to be understood that the fact of men being *eligible* by previous notations on their certificates does not make it imperative for Captains to recommend them. Invariable Very Good Conduct and the satisfactory manner in which their duty is performed are to be the only guide.

10. Exemplary will for Medal and Gratuity purposes be equivalent to Very Good.

11. No change is made in the Regulations reserving to the Admiralty the right of dealing exceptionally with the cases of men who have distinguished themselves in action or otherwise, or of men who have 15 years of continuous Very Good character.

12. The changes indicated above are applicable to the Coast Guard and also to the Royal Marines Ashore Afloat.

13. The enclosed amended Articles 676, 723, and are to be substituted for the present Articles with so numbered in the Queen's Regulations, 1879 which are to be considered as cancelled when rules come into operation, as is also clause 9 of Ar 999.

14. Time served by men who, after completing for pension, re-engage under the provisions of of the Addenda, 1880, will reckon for the Medal Gratuity, but the award of the Medal after pletion of such time will not count towards Pension.

TEMPORARY PROVISION.

15. Awards of character under the existing tions are to be made to the 30th June next, and no character of Very Good awarded betwe July 1876 and that date is to be considered as Medal and Gratuity purposes.

By Command of their Lordships,

ROBERT HALL

To the respective Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES SEAMEN.

4. No man is entitled to the Medal unless

(*a.*) he has been recommended for it on his cer for three consecutive years,

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. Certificates.—Ships' Company.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

a. Exemplary;
b. Very good;
c. Good;
d. Fair, or passable;
e. Indifferent;
f. Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period, but without regard to their former history, so deported themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the Service.

6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the defaulters' book and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in apportioning the character.

7. On a man being punished by sentence of Court-martial or summarily awarded—

a. Corporal punishment;
b. Imprisonment;
c. Disrating or reduction;
d. Deprivation of Good Conduct Medal or Badge;
e. Reduction to the Second Class for Conduct;
f. Reduction to a lower class for leave than the privilege leave list; or if he commits any offence for which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence for which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above Good for that period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be re-

Digitized by Google

corded upon his Certificate by the Captain in his own handwriting, with his initials, on the 31st December of each year, and under his signature on the final discharge of the man or boy from the ship, as well as on all other occasions when specially required. Whenever from the length of time the ship is in commission, or from other causes, the form requires it, a fresh line is to be commenced on the certificate, and the necessary additions made.

10. The conduct of each man or boy borne as a Supernumerary for more than three months is to be noted in red ink on his certificate, but if so borne for less than three months his conduct is to be noted on the Transfer List, as a guide to the award of character on Certificate at the proper time.

11. When men borne for less than three months are on passage, or when Supernumeraries are absent on leave, or for other valid causes, notations, such as Passage only and Time only, are to be made on their Certificates when the character is not required to be recorded thereon, and if it follows Very Good or Exemplary, such time will be considered as Very Good or Exemplary accordingly, as the case may be, in the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be regarded as continuous in such cases. The same principle will also apply in all other cases of men borne for time only as to their previous character being regarded as continuous in the absence of notations to the contrary.

12. In the event of a man misconducting himself while in hospital, a report is to be made by the Principal Medical Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

13. All time during which a Supernumerary is borne for passage home, if entitled to pay, is to be shown on his Certificate, as well as his character.

14. The characters so recorded are on these several occasions, to be read to the men by the Divisional or the Marine Officer, as the case may be.

15. Should the Captain give up command at a broken period of the Commission, exceeding three months from the commencement of the year, he is invariably to fill up and initial the men's Certificates; if within the three months, he is only to fill up and initial the Certificates of the men whose characters have undergone a change since the last record on their Certificates.

16. Whenever a Good Conduct Medal is awarded, suspended, forfeited, or restored, or any Decoration or other Medal granted, or a Good Conduct Badge is awarded or forfeited, the particulars are to be noted on the Certificate, as well as in the Ledger and Service and Conduct Book.

17. The corner of the Certificate is only to be cut off on discharge and when the man's character has been so bad as to render his re-entry into the Navy undesirable; whenever the corner is cut off the fact is to be noted in the Ledger and in the Service and Conduct Book and a report is to be immediately made to the Commander-in-Chief in the form established for discharge with disgrace, which is to be adapted to the case.

18. On no account is any erasure or any alteration relative to the past to be made on the Certificate except with the sanction of the Admiralty; if any error is committed which requires immediate correction, the correction is to be made, without erasure, under the authority of the Captain, and attested by his signature.

19. Certificates will be retained in the offices of the several ships in which the men may be borne or serving, until they are finally discharged the Service; but whenever a man may require it, he is, on application to the Officer of his Division, to be furnished with a copy from the Officer in the established Form.

20. On the death or desertion of any person, a notation to that effect is to be made on the Certificate, which will be transmitted into Office with the Monthly Return.

21. In all questions relative to a man's character the notations made upon his Parchment Certificate are to be considered as conclusive, unless the Certificate shall appear to have been tampered with; in such a case it would be the duty of the Captain, on noticing it, to report immediately the particulars to the Admiralty that reference might be made to the Service and Conduct Book, or to other Records in Office, to clear up the matter, and, on the result being communicated, the Captain will note it upon the Certificate and attest it with his signature, and also make notations to the same effect in the Service and Conduct Book.

IV. GOOD CONDUCT MEDALS AND GRATUITY MARINES.

1,137. Royal Marines, as particularized in column of the Table in the Appendix VI., page 690, and who afloat or ashore, may be recommended for the Conduct Medal and Gratuity, as well as Pensioners the Corps, but for Medal only, provided they retain the Service within five years of being pensioned. awards are made irrespective of the strength of Divisions of the Royal Marines, it being intended nothing but a Marine's own misconduct shall be to his obtaining these distinguishing marks of probation of the Admiralty, should he serve suffi long.

Ten years of continuous Very Good character render a Marine eligible for a Good Conduct Medal 15 years of continuous Very Good character shall him eligible for a Gratuity, provided he had never awarded a character below Very Good, except for not exceeding one year in his first five years reck for Pension.

3. After a Marine has been awarded seven such continuous Very Good character as will, these Regulations, count towards the Medal, the Captain or the Commandant will, if the Marine continues Very Good, and he considers him deserving thereof his invariable Very Good Conduct and Exemplary ner of performing his duties, add to the Very given on his Certificate, whenever he is requi record the Marine's Character, the words "Medal recommended," and after 12 years of such Very Good char the Captain or the Commandant will, in like ma add the words "Gratuity recommended."

4. To entitle a Marine to the Medal—
   - *a.* He must have been recommended for it by Captain or Commandant on his Certific three consecutive years;
   - *b.* He must be recommended for it by the Ca Commandant under whom he is serving he becomes eligible and has fulfilled the re conditions of service.

5. To entitle a Marine to the Gratuity—
   - *a.* He must have been awarded the Medal and never forfeited it;
   - *b.* He must have been recommended for it on Certificate for three consecutive years;

7. Whenever the Captain sees fit to withhold quired recommendation, he will record fully his in the Service and Conduct Book. In the case of M on shore, the Commandant will do so in the corre ing record in the Divisional Head Quarters.

8. The character given to a Marine in such por under-age service as does not reckon for Pension effect on his claim to a Medal and Gratuity.

9. A break in service caused by a Marine being ided will not be considered as breaking the con of his Very Good character, provided he rejoins as the state of his health will admit, and compl required service.

10. Desertion, reduction to the Second Class duct, imprisonment, or the award of character Good during any portion of the time which reck Pension, shall render a Marine absolutely ineligi the Medal or Gratuity, except as provided for following paragraphs 11 and 12.

11. In order not entirely to exclude from the he a Medal a Marine who may have committed him the early part of his service reckoning for Pensi who may have since become a Very Good charact Admiralty will consider (with reference to the g a Medal without Gratuity) the case of any Marin can show 15 years of continuous Very Good cha notwithstanding anything he may have done character which may have been awarded to him. Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case Marine who would be excluded under the fo Regulations, but who may be specially recommen account of his having shown highly Exemplary c in action, or otherwise; in such cases, however Gratuity will be awarded.

28. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AN MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. *Colonies which offer Privileges.*

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. *Officers entitled to Privileges.*

The Officers to whom such privileges are offered are (*a*) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (*c*) Regimental staff Officers; and (*d*) Medical Officers of both Services, of not less than five years' standing.

3. *Officers not entitled to Privileges.*

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. *Nature and Extent of Privileges.*

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1868.

5. *Memorandum of Rank and Service.*

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, if a Military man, from the Office of the Commanding-in-Chief specifying his rank, length of service and date of retirement. This document will be issued more than once to the same officer; should within one year from the date of the Officer's retirement be presented to the Governor of one of the above Colonies, otherwise the Officer will not be entitled any land privileges in the Colony.

No document from the Office of the Secretary of is necessary.

6. *Location Ticket.*

As the sole object of the Regulations is to establish *bond fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land in British Columbia he may obtain, or which in case of the other Colonies he may have purchased with the extent of his remission money.

7. *Crown Grant.*

At the expiration of two years from the date of the Location Ticket, the Officer, on paying the cost of survey and other fees, will receive in exchange a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a bond fide settler in the Colony, and has not only actually resided therein since the receipt of his Location Ticket, but that he has resided on the land described for such length of time, and made such substantial and permanent improvements thereon of such description and value as the Governor may have prescribed by general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his agent shall reside continuously on the land for two years, and build a house and make improvements.

8. *Lapse of Claim of Crown Grant not applied for.*

If application should not be made for a Crown Grant in exchange for the Location Ticket within one calendar month from the expiration of the two years from the date it was issued, the Officer's claim will be considered extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferrable until Grant issued.*

No transfer of the land will be allowed or recognized until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorized to transfer the Memorandum available, as he may think just, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission of purchase money made to Officers be increased on account of any increased value which may at any time accrue upon the Crown lands in the Colony.
